Safe Harbor

The presentation to be made at the conference and the accompanying materials, if any, may contain certain statements concerning our future growth prospects and forward-looking statements, as defined in the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. These statements involve a number of risks, uncertainties and other factors that could cause actual results to differ materially from those in such forward-looking statements. These risks and uncertainties include but are not limited to the risks and uncertainties arising from our past and future acquisitions, slowdown in the economies and sectors in which our clients operate, a slowdown in the BPO and IT Services sectors, our ability to manage growth, factors which may impact our cost advantage, wage increases, our ability to attract and retain skilled professionals, risks and uncertainties regarding fluctuations in our earnings, general economic conditions affecting our industry as well as other risks detailed in our reports filed with the U.S. Securities and Exchange Commission, including the Company's Registration Statement in Form S-1. These filings are available at www.sec.gov. Genpact may, from time to time make additional written and oral forward-looking statements, including statements contained in our filings with the Securities and Exchange Commission and our reports to shareholders. Although, the Company believes that these forward-looking statements are based on reasonable assumptions, you are cautioned not to pay undue reliance on these forward-looking statements, which reflect management's current analysis of future events. The Company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the Company.
