

## **NASSCOM Ranks Genpact Top BPO in India**

*Genpact also among Top 20 IT-BPO Employers and IT Software & Service Exporters*

**New Delhi, July 14, 2008:** Genpact (NYSE: G), which manages business processes for companies around the world, has been ranked as the No. 1 BPO provider in India in the NASSCOM Top 15 rankings, based on revenues, for the third consecutive year. NASSCOM, the premier trade body and 'voice' of the Indian IT-BPO industry, announced the findings of its annual survey on the performance of the Indian software and services sector for the financial year of 2007-08.

While retaining its top position in the BPO industry, Genpact was also placed eighth in the survey's list of Top 20 IT-BPO employers in India. The company also created a place for itself in the survey's list of Top 20 IT Software & Service exporters in India.

**Mr. Pramod Bhasin, President & CEO** of Genpact, said: "We are proud to be ranked as India's top Business and Technology Services Company for three successive years. This recognition is a testimony to our customer focus, culture of continuous improvement and spirit of innovation".

He further added, "Genpact has pioneered this industry in India China, and in Eastern Europe and continues to expand its footprint across the world serving its customers from 30 delivery centers spread across the US, Mexico, Europe, the Philippines, China and India, employing over 34,000 associates across a wide range of business processes, technologies and industries."
