

## Community Outreach

### Enabling growth for those in need with a focus on women's empowerment

We support inclusive growth, education, health and sustenance of under-privileged groups in the communities around us. It has always been close to the heart of our people and is evident through the plethora of initiatives that our employees undertake around the globe each year.

#### For example, Genpact has:

- Donated 2,000+ units of blood globally for World Donor Day
- Raised money and goods for disabled
- Raised \$6500 to support the research in Multiple Sclerosis treatments
- Provided 1,000+ computers to charity
- Supported the scholarships of 400+ bright girls from low income backgrounds in India

#### There's more:

#### DRESS FOR SUCCESS IN US

Genpact promotes the economic independence of disadvantaged women by providing professional attire, a support network, and career development tools to help women thrive in work and life.

#### UNITED WAY IN ROMANIA

We provide 3,500 beneficiaries with better healthcare facilities, foster care for orphans, and support for the elderly.

#### MEAL DISTRIBUTION PROGRAMS

We support various food distribution programs in the US and India, providing hot nutritious meals to those in need.
